Dear Fellow Blues Society Members,

Your SBS Board of Directors, after careful thought and much discussion, made a decision to raise the cost of Memberships. While we know this isn't welcome news, the reality is that just about EVERYTHING has increased in price over the past decade, while we've held back from increasing membership for 20 years!

We take this step in order to ensure that we have enough funds coming in to continue our mission of keeping the Blues alive, and to be able to offer programs that suit the needs of our community.

- New Individual Membership Rate - \$30.00/year (for both new memberships & renewals)
- New Family (up to 4 family members) Membership Rate- \$50.00/year (for both new & renewals)

That's only an increase of \$5.00 per individual, less if your family consists of more than 2 people!

The band membership will remain the same at \$50 per year and we are adding a new membership category:

- We'll now offer Student (up to 17 years old) memberships for only \$15.00/year.

These rates will become effective on April 1, 2020. Now is the time to renew early to take advantage of the current low rates; you'll still retain your original renewal date, even if you renew early. And thanks for being a Sacramento Blues Society member and supporting the Blues!

Sincerely,

Sally Katen, SBS President
